## Information

To break up the laborious journey, the team will be housed one night before we arrive in Campur. The trip's cost covers this one night stay, dinner & breakfast the next day.

### *How much does the trip cost?*

\$1400 for adolescents between the ages of 12-16 and \$1675 for adults.

The trip's cost covers your airfare, in country travel, lodging, and all meals while we are on site in Campur. Personal expenses and "Tourist Time" are all at the expense of the individual. Please note: This cost is based on the current airline fees and could increase if those fees increase.

### *When are the payments due?*

**1<sup>st</sup> Deposit** - \$100 is due with your initial application on or before September 1<sup>st</sup>, 2017.

**2<sup>nd</sup> Deposit** - \$750 is due on or before November 2, 2017. If we do not receive this deposit, a ticket reservation will not be made and we cannot guarantee a seat. Payment received after October 3<sup>rd</sup> may result in increased fees based upon airline pricing.

**3<sup>rd</sup> Deposit** - \$825 due on or before January 3<sup>th</sup>, 2017. (\$550 is due for ages 12-16) Purchased tickets are non-refundable. Unused ticket value (minus penalties and fees) may be applied to another ticket purchased within one year so long as the airline is notified 48 hours prior to departure.

### *What travel documents do I need?*

If you are a US citizen, you need a US passport.

If you are not a US citizen, you will need your passport and a visa, and you will need to contact the local Guatemalan embassy.

### *What shots/vaccines do I need?*

The only vaccine that we recommend is one for Hepatitis A. (It's your decision and responsibility.)

### *What is the weather like in Campur?*

The weather conditions vary and are somewhat unpredictable. Some years it has been sunny and very warm (in the 80's) while other years it has rained most of the time with temperatures in the 50's and 60's. Because temperatures can go as low as 40°, it is advisable that you prepare for either extreme and bring clothing that can be worn in layers.

### *How about exchanging money or credit/debit card usage?*

You will have the opportunity to exchange your dollars for Guatemalan quetzals. The exchange rate is usually around 7.5%. You may need to call your bank and clear the usage of your card while in the country. Your bank may charge fees for your use while in Guatemala.

*Come and be a part  
of what God is doing in Guatemala.*
